

Class One

Dear Parent/Carer

Although the school is temporarily closed due to the Coronavirus, we are continuing to provide education for your child.

Please see the attached home learning tasks for your child to complete this week:

- Reading (minimum 20 minutes per day)
- 5 hours of English across the week
- 5 hours of Maths across the week
- Wider curriculum tasks to earn a minimum of 100 credits each week
- Please supplement with online learning and record this as part of your child's learning timetable
- Please refer to the school website where there will be tutorials to support learning.

- Please upload your completed learning to Class Dojo

Phonics

Phonics is vitally important to speech, reading, spelling and writing. Please practice daily.

Dear Parents/ Guardians of Class 1,

I have attached all of the previous phonics PowerPoints from the first half of summer term (PowerPoints 1-6) so that you can revisit any of the sounds along the way.

Foundation children have come to an end of learning the phase 3 sounds and tricky words, however I know that some of you may still be working on some of the previous week's PowerPoints. All children learn their letters and sounds at different paces so I will attach all of the previous phase 3 PowerPoints for you to keep working on with your child. Once you are certain they can read and remember all of the phase 3 sounds then you can move onto the week 7 and 8 PowerPoints which are all about putting their sounds into action by reading and writing (phase 4) cvcc and ccvc words. Once your child has fully grasped all of the new sounds in all of the PowerPoints and you have been through PowerPoints 7 and 8 you can move on to writing cvcc and ccvc words into sentences. Pick a different word each day and try and put the word into a sentence and then write the sentence. Make sure to enforce capital letters at the start of the sentence, finger spaces and a full stop at the end of the sentence. You can also play phonics games on the websites below. Play the phase 3 games and games that include cvcc and ccvc words.

Year 1 will still have a new sound/ alternative pronunciation to learn each week which will be in a weekly PowerPoint again. Year 1 children can also use the phase 3 PowerPoints to re-cap if need be and children in year 2 would also benefit from re-visiting the phonics that I have provided for year 1. There are videos of myself doing the actions for the sounds on the class story section of class dojo. Use these videos to make sure the children are pronouncing the sound correctly and with the correct action (actions help them to remember the sounds!) If you have any questions please do not hesitate to get in touch with me.

Take care!

Miss Bryant 😊

Here are some extra sites for resources and games:

<https://www.twinkl.co.uk/>

<http://www.letters-and-sounds.com/>

<https://www.phonicsplay.co.uk/#>

Spellings

There are 10 spellings to learn each week. Have a spelling test/ game at the end of each week to see how many you have managed to remember and spell correctly. In week 7 go over all of those you did not manage to spell correctly.

Maths Tasks

Each school day this week, you will be asked to go to the White Rose Home Learning website shown below.

EYFS - <https://whiterosemaths.com/homelearning/early-years/>

Year 1 - <https://whiterosemaths.com/homelearning/year-1/>

Year 2 - <https://whiterosemaths.com/homelearning/year-2/>

White Rose maths sheets - https://exbourneceprimaryschool-my.sharepoint.com/:f/g/personal/head_exbourne-primary_devon_sch_uk/Ep4Ri_RT15IHkAbGf_qRSkyB9KVHBBPfTvIKSQiMrvJffA?e=WljuTp

On this website you will find a video that explains how to use the methods necessary for the lesson (Summer Term - Week 8). Please remember to show your working.

EYFS - The Dinosaur that pooped a planet

Monday- Find a half (Year 1) Measure mass in grams (Year 2)

Tuesday- Find a half (Year 1) Measure maths in kilograms (Year 2)

Wednesday- Find a quarter (Year 1) Compare volume (Year 2)

Thursday- Find a quarter (Year 1) Millilitres (Year 2)

Friday- maths challenge!

If you are struggling with anything at all please write on Class Dojo and I will get back to you as soon as I can.

Extra tasks (only complete if you wish):

- Choose and play a game on Top marks <https://www.topmarks.co.uk/maths-games/5-7-years/counting> or BBC Bitesize <https://www.bbc.co.uk/bitesize/subjects/zjxhfg8> It will be good to cover the same content that you learnt about with White Rose Home Learning activities and any counting, ordering, sequencing and place value activities.
- Worksheets I put on classroom dojo (ensure year group appropriate).
- Help your family share food such as; orange segments, cake, pizza into equal groups.
- Find things around the house longer/shorter than your hand.

English/ Wider Curriculum

As it is the final week of the school year I have put together this table that includes 10 fun activities that incorporate elements from across the curriculum. As there are 10 activities, you could do 2 per day.

<u>Activity 1</u> Write a letter to your teacher in September. Tell them what you are excited about and/ if there is anything you are worried about.	<u>Activity 2</u> Find an ice cream/ lolly pop recipe and follow the instructions with an adult. Take a photograph of your results.	<u>Activity 3</u> Write your own prayer about school. What are you thankful for and why? What do you enjoy/ love about school?	<u>Activity 4</u> On a large piece of paper design your very own sandcastle. You can use your design if you go to the beach in the summer holidays!	<u>Activity 5</u> Make a picnic and go for a teddy bear's picnic with your favourite teddy and your family. You do not even have to go far; the garden or front room can be a lovely picnic spot!
<u>Activity 6</u> Make a list of everything you want to do in the summer holidays. You can use this list to tick things off once you have completed them.	<u>Activity 7</u> Write a 'summer holiday' acrostic poem with some illustrations to go with it.	<u>Activity 8</u> Go outside at different times during a sunny day and get someone to draw around your shadow. You could use chalk on the floor or a large piece of paper. Discuss why it is changing.	<u>Activity 9</u> Can you create your own bubble mixture and bubble wand? Can you create some different sizes?	<u>Activity 10</u> Design a character by completing a character profile. Write a story about your character. Remember you will need a beginning, middle and end plus a problem that gets resolved.
