

**Class 1 HOMEWORK Autumn 2022**

All children are expected to complete the following each week:

1. Phonics/spelling word practice (Year 1 and Year 2 only) – this can be handwriting the words or by creating a sentence using the word. A list of the words that the children need to learn throughout the year will be sent home.
2. Reading aloud to an adult at home – at least 5 times a week. Every day is best. Please record reading in the Reading Record. Rewards will be given for 5 home reads!
3. One project homework task per term.

**Homework projects** will be set termly to help consolidate learning taking place in school. Project homework tasks are for every child to engage in and encourage creativity in learning. **Choose one project to complete this half term.** If you want to do more, you can! Learning at home helps to accelerate your child's progress.

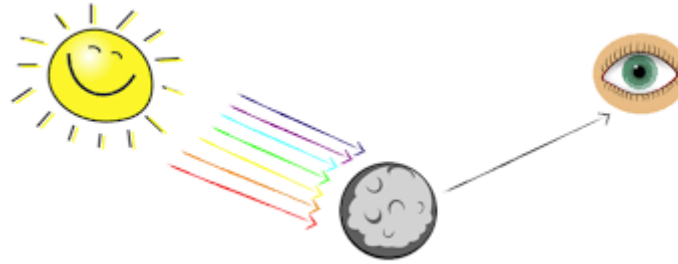

**Please choose 1 homework project to complete this term (as well as your weekly phonics and reading practise)**

We will invite parents into school in the second half of term to see the homework and celebrate home learning.

Thank you for the ongoing support with your child's home learning.

Miss Whiteley and Miss Balsdon

**Project 1 – Science**

Have a look around your home. Can you find 15 different sources of light? Are they natural light or manmade light? Can you make a poster to show these different types of lights?

**Project 2 – PSHE**

We all have lots of people who are special to us. Can you draw or paint a picture of those people who are most special to you and write about why they are special?

**Project 3 – Art**

Can you make an autumnal painting using stamps. You can make these stamps out of what ever you like – cardboard and string, potatoes etc
