

14th March 2022

Dear parents/ carers,

To update you on the situation this morning, we now have 6 members of staff and a number of children testing positive for Covid 19. Teachers and support staff in all classes are positive for Covid and are self-isolating in accordance with the guidelines and latest advice.

The impact of the above will be –

- We will not be able to run after school clubs due to staff shortages.
- Homework Celebration for parents will be cancelled – we will do something with the children instead.
- Visitors to school will be essential only and meetings will take place remotely.

If you or your child are unwell or display symptoms, we recommend that you take a test. Both staff in Class 3 are positive so it may be a good idea to test your child if they have been in close contact.

Our latest risk assessment can be viewed here - [Directorate/Department \(exbourne-primary.devon.sch.uk\)](http://Directorate/Department(exbourne-primary.devon.sch.uk))

Please be reassured that we are continuing to do everything we can to keep everyone safe through our ongoing safety measures and we will keep you updated as to any changes to planned events.

Kindest regards,

Kind regards

Mrs D Petersen (Principal)
