- Extensive programme of enrichment
- OFSTED Rated 'Good' March 2022

Please contact the school for a visit

*Let us spur one another to acts of love and good deeds Hebrews 10:24*

Welcome to Exbourne Church of England Primary School!

At Exbourne, we offer a wide and enriched curriculum to provide the children with the knowledge, skills and understanding to thrive both academically and socially. We enhance learning through a variety of sporting activities, school trips, visitors and events. Our children are taught across three mixed aged classes with adult support staff in each class. All classrooms are well resourced and have interactive whiteboards. All staff endeavour to support pupils to be the best they can possibly be. Learning is a partnership, and we aim from our first meeting, to establish good communication between home and school to make sure pupils achieve their full potential.

Pupils show respect and kindness to those around them. They encourage and support each other in their learning and play. Pupils say that bullying is rare. They are confident that staff would sort out any problems quickly, should they occur. Ofsted Report March 2022

The outside area has a playground, and we have access to our local playing field — perfect for PE, forest school, science lessons and other outdoor learning experiences. We use our hall for worship, events, and lunch times. Hot meals are provided by St James' School with a range of healthy options to meet the dietary needs of all children.

## Our school day

---

7.50am Breakfast club opens

12.00pm Lunch break

8.50am Parents and pupils arrive

1.00pm Afternoon registration

9.00am Morning registration

followed by lessons

9.10am Lessons

3.00pm Worship

10.45am Break

3.30pm Home time

11.00am Lessons

After school clubs until 4.15pm

# Our Christian Values

---

Exbourne C of E Primary School encourages children to value themselves and each other, to become caring members of the community by taking responsibility for themselves, their actions and their choices. Exbourne C of E Primary wants all children to LIVE, LOVE and LEARN - *'Let us spur one another to acts of love and good deeds.'* Hebrews 10:24

- We LIVE together in a school where we value and show respect.
- We show LOVE through our actions towards each other.
- We are proud to LEARN new things and aim to be the best we can be.

## Curriculum

---

We offer a broad and balanced curriculum, which builds on the knowledge, understanding and skills of all children, whatever their starting points, as they progress through each Key Stage.

Our curriculum is inclusive and allows all types of learners to thrive. Our children are encouraged to think about how they are living their lives, to be good citizens in school, the community and globally. The curriculum incorporates the statutory requirements of the National Curriculum and is enriched through experiences and opportunities which best meet the learning and developmental needs of the children in our school.

Pupils talk confidently and eagerly about their learning. Teachers use effective questioning and modelling to deepen children's thinking and learning. Ofsted Report March 2022

We cover all aspects of the National Curriculum: English, Maths, Science, Art, Computing, Design Technology, Geography, History, Languages, Music and Physical Education. In addition, we follow the Devon agreed syllabus for Religious Education to ensure progression in Social, Moral, Spiritual and Cultural (SMSC) education as well as Relationships and Sex Education (RSE). All children learn to swim.

Staff are available to discuss your child's progress with their learning through regular contact, termly parent consultations and pre-arranged appointments.

We foster a love for education, school, friends, family and ourselves. Using social learning, daily worships and RE lessons we encourage a strong personal focus on love for others. Wherever possible children will take part in a trip, visitor or experience each term. The school places a high priority on the performing arts; public speaking, dance, drama, singing and music. We attend St Mary's Church for regular events in our Christian calendar such as Harvest, Easter and Christmas.

Pupils explore many aspects of the wider curriculum. For example, pupils learn about equalities and can discuss issues around gender stereotypes. Pupils successfully recall their learning about how to keep themselves safe. There is a rich offer for developing pupils' spirituality and moral awareness. This is based on the Christian ethos of the school. Leaders ensure that they promote pupils' social development well. They work closely with the local community and other schools for various events and residential activities. Ofsted Report March 2022
